About Section 845 of the Pension Protection Act of 2006

Effective for distributions made in taxable years beginning after December 31, 2006, Section 845 of the Pension Protection Act allows retired public safety officers to make an election to exclude up to \$3,000 of distributions from a governmental qualified retirement plan, 403(b) plan, or 457(b) plan from income each year as long as the distributions are **paid directly to an insurer** to purchase health or long-term care insurance for the officer or the officer's spouse and/or dependents for such year.

Retirement Plans may opt to participate or not. PERSI has opted to participate, but only with insurance carriers that have completed and filed this form with PERSI. Requests from members for payment of premiums to non-participating insurance carriers will be referred to the insurance carrier. PERSI may provide to members a list of insurance carriers that have filed this agreement.

Section 845(a)(4)(D) of the Pension Protection Act defines **Qualified Health Insurance Premiums** as "premiums for coverage for the eligible retired public safety officer, his spouse, and dependents, by an accident or health insurance plan or qualified long-term care insurance contract (as defined in section 7702B(b))."

Title 26 U.S.C. Section 7702B(b) states:

(1) In general

The term "qualified long-term care insurance contract" means any insurance contract if—

- (A) the only insurance protection provided under such contract is coverage of qualified long-term care services,
- (B) such contract does not pay or reimburse expenses incurred for services or items to the extent that such expenses are reimbursable under title XVIII of the Social Security Act or would be so reimbursable but for the application of a deductible or coinsurance amount,
- (C) such contract is guaranteed renewable,
- (D) such contract does not provide for a cash surrender value or other money that can be—
 - (i) paid, assigned, or pledged as collateral for a loan, or
 - (ii) borrowed, other than as provided in subparagraph (E) or paragraph (2)(C),
- (E) all refunds of premiums, and all policyholder dividends or similar amounts, under such contract are to be applied as a reduction in future premiums or to increase future benefits, and
- (F) such contract meets the requirements of subsection (g).

(2) Special rules

(A) Per diem, etc. payments permitted

A contract shall not fail to be described in subparagraph (A) or (B) of paragraph (1) by reason of payments being made on a per diem or other periodic basis without regard to the expenses incurred during the period to which the payments relate.

(B) Special rules relating to medicare

- (i) Paragraph (1)(B) shall not apply to expenses which are reimbursable under title XVIII of the Social Security Act only as a secondary payor.
- (ii) No provision of law shall be construed or applied so as to prohibit the offering of a qualified long-term care insurance contract on the basis that the contract coordinates its benefits with those provided under such title.

(C) Refunds of premiums

Paragraph (1)(E) shall not apply to any refund on the death of the insured, or on a complete surrender or cancellation of the contract, which cannot exceed the aggregate premiums paid under the contract. Any refund on a complete surrender or cancellation of the contract shall be includible in gross income to the extent that any deduction or exclusion was allowable with respect to the premiums.
